 in Camden County in the State of Kentucky, is 26  
 years of age, 5 feet 1 inches high, dark complexion, dark eyes

Commanding Company.

I CERTIFY, that I have carefully examined the said Private John Cady of  
 Captain H. W. Moody Company, (B) and find him incapable of performing the duties of a soldier  
 because of Chronic diarrhoea from intestinal ulceration together with  
chronic ophthalmia and spinal irritation also chronic ear pain and  
of a serious character. His advanced age and greatly debilitated con-  
 dition completely incapacitate him for any military duty whatever  
 and renders his recovery within any reasonable length of time most im-  
 probable. He is in my opinion not a fit subject for the invalid corps  
 the degree of his disability being as follows:

NOTE 1.—This blank will be used for both enlistment and re-enlistment—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A master-in-roll must, in all cases, precede payment of pay, bounty, pension, &c. A master-in-roll must, in all cases, be filed in the Adjutant General's Office as evidence of service. The recruiting officer, commissary, or assistant commissary of masters, as the case may be, will countersign both enlistments as having Mustered the soldier into the service of the United States before either of them is given to the discharging officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other persons having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for disease, wound, or injury is stated, the degree of disability—as 1, 2, 3, &c., &c.; to denote particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or even his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the certificate of the soldier, his professional opinion of the cause or causes of the disability. In the case of discharges by medical inspection, the last paragraph will state that the discharge was given by consent of the medical board, after a physical examination, and for disability, the nature, degree, and extent of the disease or injury as stated in the written certificate.

The medical officer, in giving certificate of disability, are to be particularly careful in all cases that have not been under their charge and especially in epilepsy, convulsions, chronic inflammation, enlargement of the urinary organs, gonorrhea, syphilis, or any chronic disease liable to be cured or permanently cured. In no case shall such certificate be given until after sufficient time and examination to enable the surgeon to accept.

REMARKS.

These certificates will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward them to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. Lost paid by Maj. Nelson to April 30/63 - \$100 Bounty due - Clothing drawn since enlistment \$108.93

Released on account of Musters out of Regt & Company, according to sentence.

Forwarded to Chief Mustering Officer for exchange by S. O. No 225 H. A. In Dept. Ark. Sept 22 - 1865

## NOTES.

1. The amount of any money pay for which the soldier may be mustered, or, as Acting Hospital Steward, as Soldier, &c., and which may be due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the enlistment bounty paid him; in that of "BOUNTY DUE," the enlistment yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the case must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of discharge, the date, and that of delivery, or expiration, must be given, together with a correct statement of the order of discharge given.
5. A full and correct statement of the credit of the soldier's account must be given, to date, and the amount paid to, or for him, must be carefully stated.
6. Should the man have been engaged in any crime or offence, it must be mentioned, together with date and place. A full and particular statement will be made of any crime by him, have received sentence, or other injury, within the time of his term.
7. If the soldier is entitled to pay for the use of his horse, or company equipment, must be noted.

[A. G. O. No. 93.]

1. The amount of any money pay for which the soldier may be mustered, or, as Acting Hospital Steward, as Soldier, &c., and which may be due him, must be carefully noted.
2. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be noted upon the receipt of these muster rolls, and the soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant of the Treasury Dept.
3. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

10. Men drafted will be considered as mustered in from the date of draft, and will be mustered for pay on the muster rolls for Volunteers. Their pay commences on the day they report for duty under arms from the Provost Marshal, which date should be entered on the first Muster Roll, under the heading of "Mustered in." On same line as the soldier's name, under the heading "Joined for and Mustered."—Statement of First Payment by Time, written the word drafted, or captured, as the case may be; and the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a substitution, when enlisted, substitution and Enrollment Act, are mustered in by enlistment, under "Where Mustered in," will be given the place from which drafted, (or if a substitution where enlisted) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: Ch. A. Allen, (Enrollment District No. 10, State of Massachusetts). Or if a substitution, the name of the soldier substituting him. (When enlisted by Board of War, the name of the Provost Marshal of the Enrollment District.)
11. Appropriate descriptive list should, as a general rule, be given for each.
12. Descriptive list must, in all cases, be signed by commanding officer, or by enlisted man acting as such.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—e. g., &c., &c., to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate.

Par. 1200-Regulations, Edik 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any chronic disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward them papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

No 17

I The following enlisted  
Men of the 8<sup>th</sup> Mo Cavalry arrested for entering a pri-  
-vate house, are released from imprisonment and res-  
-tored to duty without trial.

It would seem that Lieut Jones of the 8<sup>th</sup> Mo Ca-  
-valry, who had charge of these men, should have been  
arrested and punished instead of the men and he  
escapes easily with this reprimand.

It is hoped it will not be necessary to notice any  
such carelessness of duty on his part again.

FINAL STATEMENT

of  
Thomas J. Grevitt  
8<sup>th</sup> Reg't of Mo. Cav.

VOLUNTEERS.

Died Sept 26 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adj. Gen. of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—no 1, 2, &c., &c.; to describe particularly the disability, wound or disease, the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause of origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate.

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the papers are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward sets of these certificates to the Adjutant General United States Army, at Washington, D.C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments of volunteers, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds in all cases, except payment of pay, bounty, &c. A master-in-roll must, in all cases, be filed in the Adjutant General's Office as evidence of enlistment. The recruiting officer, company, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the enlisting officer.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

When a probable case for pension, special care must be taken to state the degree of disability—as *g. i.*, *etc.*, *etc.*—to describe particularly the disability, wound, or disease, the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1250 Regulations, Ed. 1951.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, strabismus, and any derangement of the urinary organs, gonorrhea, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificates be given until after sufficient time and opportunity to detect any attempt at deception.

This certificate will be made out in duplicate by the officer's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is kept. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his notes endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

They continue, after having received the notice of the highest authority to which they are required to be sent, not to return the same, and to refuse to sign any or document whatsoever, who will, if the Secretary is asked, by the highest head of the proper authority, sign the soldier's discharge and the last sentence on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward copies of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Sir,

I have the honor to respectfully request that  
Lieutenant Simeon J Davenport of my Regiment  
be detailed to proceed to the State of Missouri  
on recruiting duty for his Command

Lieut Davenport has been for the past  
five months afflicted with Chronic Ophthalmia so  
as to render him unfit for active duty in the field  
but in my opinion could render his Command  
good service by recruiting and could probably at  
the same time have his eyes cured

Very Respectfully

They will be made out in duplicate in all cases—one to accompany the meeting return of the enlistment (not the meeting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

**NOTE 2.**—An enlistment holds to service. A soldier's name, in all cases, secures payment of pay, bounty, pension &c. A soldier's will must, in all cases, be filed in the Adjutant General's Office as evidence of service. The meeting officer, company, or enlisted commissary of recruits, as the case may be, will encourage both enlistments as having entered the soldier into the service of the United States before either of them is given to the following officer.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and mental infirmity, which would in any way disqualify him from performing the duties of a soldier. +

Col

I have the honor to acknowledge the receipt of Com-  
missions last applied for.

Application was made from Forsyth, Mo. for four Commissions,  
which have never been received, though I noticed the appointments  
properly noted in the Republican. Were they forwarded? If so  
they have been miscarried by the mail. Can new ones be granted  
in their stead?

Albert Demuth, 1<sup>st</sup> Lieut. of Company "C," had his Com-  
mission stolen at Forsyth, Mo. Will a certificate to this effect  
be necessary to enable him to obtain another?

Very Respectfully

Your Obedt. Servt.

Stellville

I, George W. Depew born in Mass.  
in the State of Missouri aged Eighteen years,  
and by occupation a Farmer Do HEREBY ACKNOWLEDGE to have  
volunteered this Twenty second day of December 1863  
to serve as a Soldier in the Army of the United States of America, for the  
period of THREE YEARS, unless sooner discharged by proper authority. Do also  
agree to accept such bounty, pay, rations, and clothing, as are, or may be, estab-  
lished by law for volunteers. And I, George W. Depew do  
solemnly swear, that I will bear true faith and allegiance to the United States  
or Confederacy, and that I will serve them honestly and faithfully against all  
their enemies or opposers whomsoever; and that I will observe and obey the  
orders of the President of the United States, and the orders of the officers  
appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at Springfield  
this 31st day of December 1863 by George W. Depew  
before me, Mr. J. Bodinbaum  
Captain, Pro Tempore  
Regiment, ON HONOR, that I have carefully examined the above-named Volunteer, agreeably  
to the General Regulations of the Army, and that in my opinion he is free from all bodily defects and  
mental infirmity, which would, in any way, disqualify him from performing the duties of a soldier.

W. B. Hornum  
Examining Surgeon.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer,  
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my  
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties  
of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service.  
This soldier has Highland complexion, is 5 feet 7 inches  
high.

# NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

# NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspection, the Surgeon General will state that the "discharge was given by contract of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Rev. 1260 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

# DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. FINAL STATEMENT

OF

*Albert J. Dixon*

*5th Reg't of Md. Vol. Cav.*

VOLUNTEERS.

*Died Aug 1 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landrum must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for demised volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

## DECLARED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

*my* FINAL STATEMENT *R. J. M.*  
OF

*Private Jesse Sallenger*  
*8th Reg't of Cav Mo*

VOLUNTEERS.

*Wied July 11th 1863*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company. That he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enclosed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General's Office, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

# ARTICLES OF WAR.

ART. 91. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 91st Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be numbered, "Inventory of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 18—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form A.) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 18—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

# FINAL STATEMENT

OF

Oliver Duncan

8<sup>th</sup> Regt of mo Cav.

## VOLUNTEERS.

Died Feb 17, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Private James H. Durham

8th Regt of Cav, Missouri.

VOLUNTEERS.

Died May 23rd 1863.

NOTE 1.—Two duplicate certificates or diplomas are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may in case receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify in the act of delivery of the duplicate certificates, on these certificates the Soldier is entitled to his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining and vouching the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the last of both these final statements, and also to the time he has pay due having been as received on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and returned with a statement in this effect by the officer. This endorsement should contain full statement of the time for which the Soldier was allowed pay on his final statement, the clothing received, and all other claims against him or in his favor as to complete a complete exhibit of his account. It will thereby be submitted to the company commander of the Soldier, who will endorse the same, and to a full understanding of the Soldier's account on the matter, upon which the Soldier's discharge is returned. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these final statements, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement, from the fact that his descriptive list is destroyed. These accounts for such pay, &c., are sent by the Adjutant of the Troop Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Landress must be entered on the under roll on which the discharges, death, desertion, &c., reported, as well as on the final statement, otherwise the account cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, to duplicate, to the Adjutant, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1290 Regulations, Edt. 1881.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last sentence on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

# FINAL STATEMENT

OF

Daniel Dyer

8<sup>th</sup> Reg't of Me. Vol. Cav.

G. H. Little Rock

NOTE 1.—These certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to his discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING OFFICER commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only receiving as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for this month he has, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury of ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Receipts."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwars must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise statement cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

I certify, on honor, that Daniel Dyer a Private of  
Captain William Jones Company (H) of the 8<sup>th</sup> Regiment of Missouri

# FINAL STATEMENT

OF

Daniel Dyer

8th Reg't of Mo. Vol. Cav.

## VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDEER or officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enclosed as it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due him having been accounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should contain a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Equidress must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Special Auditor, Washington, D. C.

Council of Administration

# ARTICLES OF WAR.

ART. 91. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer, or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 91st Article of War, shall be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be numbered, "Inventory of the effects of ———, late of company ———, regiment of ———, who died at ———, the ——— day of ———, 1863." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5.) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Receipt of the proceeds of the effects of ———, late of company ———, regiment of ———, who died at ———, the ——— day of ———, 1863."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.
